## **SUPPLEMENTAL REPORT AND RECOMMENDATION**

Before the Court is Plaintiff's Brief in Support of Attorney's Fee Award, as requested by the Magistrate Judge on September 9, 2013. The Magistrate Judge finds that the fees requested are reasonable and the work performed was necessary and not duplicative. Plaintiff's counsel has submitted a detailed billing summary and an affidavit in support detailing the fees incurred. The Magistrate Judge therefore recommends that their request for attorney's fees in the amount of \$9,612.50 be granted. The Magistrate Judge further finds that the Lanham Act provides for a recovery of "all costs" and therefore recommends that the Court order reimbursement of litigation costs in the requested amount of \$350. Finally, the Magistrate Judge recommends the imposition of post-judgment interest on the total award of \$1,309,962 at the statutory rate.<sup>1</sup>

**Respectfully Submitted,**

EDWARD G. BRYANT  
UNITED STATES MAGISTRATE JUDGE
